NOTIFICATION

POLICY REGARDING REGISTRATION, SYNOPSIS, THESIS, IMM, AND EXIT EXAM FOR CANDIDATES OF THE INSTITUTES/PROGRAMS WHICH ARE AFFILIATED WITH UHS BUT NOT RECOGNIZED BY PMDC

The University is in receipt of requests from various institutes that have admitted MD/MS students through the Centralized Admission Policy of the Government of Punjab, seeking registration for the students so they may continue their academic pursuits. This is despite the fact that the final approval from the Pakistan Medical and Dental Council (PM&DC) for the program is still pending.

In order to alleviate any academic hardships of the students, the Competent Authority has desired that candidates admitted through the Central Induction Policy of the Government of Punjab in the programs mentioned above may submit an undertaking on judicial stamp paper (Rs. 300), duly signed by the candidate and countersigned by the Head of the Institute, stating that:

- a) I am well aware of the fact that my program (degree name) to-date is not recognized by PM&DC.
- b) UHS shall not be responsible for any of its consequences including but not limited to non-recognition of my degree by PM&DC.

It is abundantly clarified that the above concession is being granted in the larger interest of the students and shall in no way imply that recognition by the Pakistan Medical and Dental Council (PM&DC) has been waived off.
